

THE 13th INTERNATIONAL CONFERENCE ON **FISHERIES & AQUACULTURE 2026**

29th & 30th SEPTEMBER 2026

MIRI, SARAWAK, MALAYSIA

🌐 Visit: aquaconference.tiikm.com

***"Blue Horizons: Charting the Future of Sustainable Aquaculture,
Fisheries and Biodiversity".***

Join global researchers, policymakers, and industry experts at ICFA 2026. The conference focuses on advancing innovative aquaculture practices, sustainable fisheries management, ecosystem-based strategies, and blue economy initiatives contributing to the long-term sustainability of aquatic resources and global food security.

Conference Purpose

The 13th International Conference on Fisheries and Aquaculture (ICFA 2026) is a timely and strategic global platform dedicated to shaping the sustainable future of aquatic food systems. As global demand for aquatic resources continues to rise alongside growing environmental pressures, ICFA 2026 brings together educators, researchers, policymakers, entrepreneurs, and industry experts to discuss innovative solutions and research findings that foster sustainability, resilience, and equity across the fisheries and aquaculture sectors.

UNIVERSITY COLLABORATIONS

200+
Universities

Why attend ICFA 2026?

Knowledge Transfer & Innovation

Bridging academia, government, and industry to share research findings, innovative practices, and technological solutions that advance fisheries and aquaculture.

Entrepreneurship & Commercial Focus

Encouraging business-oriented approaches, investment opportunities, and market development to translate research and technical knowledge into sustainable commercial outcomes, fostering innovation and economic growth within the sector.

Inter-Regional Partnerships

Building global collaboration, bringing together experts, investors, and institutions to shape a sustainable blue economy.

Africa-Asia Capacity Development

Advancing skills and knowledge through targeted training, workshops, and collaborative programs that strengthen regional and cross-border expertise

Who is TIIKM?

The International Institute of Knowledge Management (TIIKM) is an entity that facilitates the purpose of Knowledge-driven and educationally empowered sustainable future for humankind by constructing the career of the research fraternity, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated ground-breaking solutions.

Why choose us?

Our vision

We are facilitating the purpose of a Knowledge-driven and educationally empowered sustainable future for humankind by constructing researchers' careers, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated cutting-edge solutions.

Our mission

"Developing a Sustainable future for humankind with our fundamental value system through Knowledge-sharing platforms, widely accessible publications, meaningful collaborations, cutting-edge technology, and other novel solutions.

GLOBAL PARTNERS

HOSTING PARTNERS

South-South Aquaculture and Fisheries

Curtin University, Malaysia

ACADEMIC PARTNERS

Asian Institute of Technology (AIT), Thailand

Northern Iloilo State University, Philippines

University Politecnica delle Marche, Italy

Animal Biology Division, Institute of Biological Sciences, University of the Philippines Los Baños

Marine and Fisheries Polytechnic of Jembrana, Bali, Indonesia

Iloilo State University of Fisheries Science and Technology (ISUFST)

Carlos Hilado Memorial State University, Philippines

State University of Northern Negros, Philippines

Mindanao State University General Santos, Philippines

Don Mariano Marcos Memorial State University, Philippines

Eastern Samar State University, Philippines

Guimaras State University, Philippines

Faculty of Fisheries & Aquatic Sciences, Visayas State University, Philippines

Cebu Technological University, Philippines

Western Philippines University, Philippines

CONFERENCE CO-CHAIRS

DR. ROHANA SUBASINGHE
Co-founder and Director,
FUTUREFISH Co. Ltd., UK

PROF. RAVI FOTEDAR
Curtin University,
Australia

KEYNOTE SPEAKERS

DR. MOHAMED SHARIFF MOHAMED
Founding Director,
Putra Science Park
Universiti Putra Malaysia (UPM)

KUA BENG CHU, PHD
Deputy Director,
Fisheries Research Institute,
Dpt. of Fisheries, Penang, Malaysia,

DR. SUI CHIAN PHANG
Deputy Director
The Nature Conservancy,
USA

PROF. DR. JOHN LAU SIE YON
Deputy Dean of Graduate
School,
Curtin University, Malaysia

KEY CALL FOR PAPER SUBMISSION PILLARS

PILLAR 01: Biodiversity, Conservation & Ecosystem Sustainability

- Aquatic biodiversity conservation in marine and freshwater systems
- Ecosystem-based management approaches for fisheries and aquaculture
- Climate change impacts on aquatic ecosystems and species resilience
- Habitat degradation, restoration, and nature-based solutions
- Marine protected areas (MPAs) and conservation effectiveness
- Biodiversity monitoring, assessment tools, and emerging technologies
- Balancing biodiversity conservation with food security and livelihoods
- Policy, governance, and legal frameworks for ecosystem protection
- Indigenous and local knowledge in biodiversity conservation
- Human-ecosystem interactions and socio-ecological resilience

PILLAR 02: Sustainable Aquaculture, Inshore-Aquaculture & Innovation

- Sustainable inshore and coastal aquaculture systems
- Small-scale and community-based aquaculture development
- Low-impact and climate-resilient aquaculture technologies
- Integrated, circular, and multi-trophic aquaculture systems
- Feed innovation, alternative protein sources, and nutrition efficiency
- Aquatic animal health, biosecurity, and disease management
- Digitalization, automation, and precision aquaculture
- Environmental and social impact assessments of aquaculture practices
- Gender, youth, and inclusion in aquaculture value chains
- Policy, investment, and capacity-building for sustainable aquaculture

PILLAR 03: Responsible Fisheries, Policy & Future Food Systems

- Sustainable capture fisheries management and stock assessment
- Combating Illegal, Unreported and Unregulated (IUU) fishing
- Fisheries governance, co-management, and institutional frameworks
- Regional and international cooperation in fisheries management
- Small-scale fisheries, livelihoods, and social protection
- Fisheries value chains, trade, and market access
- Technological innovations in fisheries monitoring and compliance
- Science-policy interfaces and evidence-based decision-making
- Fisheries, nutrition, and food system resilience
- Future pathways for fisheries in a changing global environment

PRE - CONFERENCE WORKSHOPS

[Register Now](#)

"Creating Effective Illustrative Materials: Tables, Graphs, Photographs, and Maps"

Date: 18th May 2026 | Time: 9:30 AM - 10:30 AM IST

Key Takeaways

- Designing Clear and Informative Tables
- Crafting Engaging and Accurate Graphs
- Using Photographs for Visual Storytelling
- Creating Maps for Geographic Clarity
- Improving Data Accessibility

Dr. Suchima Gonapinuwala
Senior Lecturer,
Dpt. of Aquaculture and Fisheries,
Faculty of Livestock Fisheries &
Nutrition,
Wayamba University of Sri Lanka,
Sri Lanka

[Register Now](#)

"Navigating Research Publication in Sustainable Fisheries and Aquaculture"

Date: 15th July 2026 | Time: 9:30 AM - 10:30 AM IST

Key Takeaways

- Understanding the Scope of Sustainable Fisheries and Aquaculture Research
- Effective Journal Selection
- Writing for Impact
- The Peer-Review Process
- Emerging Trends and Innovations

Dr. Marjorie Villanueva
Associate Professor at Iloilo State
University of Fisheries Science and
Technology (ISUFST), Iloilo,
Philippines.

"Unlocking Successful Publications: Expert Tips from a Journal Relationship Specialist"

Key Takeaways

- Choosing the right journals
- Crafting editor-ready manuscripts
- Professional communication tips
- Navigating peer reviews like a pro

Professor Ike Olivotto
Lead – Publication,
Professor of Aquaculture,
Università Politecnica delle Marche,
Italy

Ms. Timea Soos
Journal Relationship Specialist of
MDPI Animals Journal

SPECIAL ISSUES

REGULAR ISSUES

EXCLUSIVE BENEFITS UPON REGISTRATION

01. Presentation & Scientific Recognition

- **Guaranteed Presentation Slot:** 15-minute for Oral presentation and for Poster presentation; separate time is allocated (with both options evaluated by an international panel of experts).
- **Constructive Feedback:** Receive specialized Q&A sessions and expert evaluations to refine your research.
- **Prestigious Awards:** Eligibility for Session Best, Best Student, Best Poster, and Overall Best Presenter awards.
- **Official Certification:** Receive an internationally recognized Certificate of Presentation or Participation.

02. Publication Opportunities

- **Conference Proceedings:** Opportunity to publish your research in the peer-reviewed conference proceedings with an ISBN.
- **Journal Support:** Direct submission opportunities to high-ranked, peer-reviewed supporting journals.
- **Expert Guidance:** Access to "PublisHelp" services and workshops on manuscript preparation and navigation of the peer-review process.

03. Global Networking & Collaboration

- **Connect with Leaders:** Meet international delegates and globally renowned speakers.
- **Bilateral Forums & Facilitated Networking :** Opportunity to Schedule one-on-one meetings with partners, sponsors, and TIIKM representatives. Connect with fellow participants through structured networking sessions to explore collaborations and exchange ideas.
- **Ongoing Engagement:** Gain access to the exclusive ICFA WhatsApp network and TIIKM's professional resource database.

04. Premium On-Site Experience

- **Full Access:** Gain admission to all technical sessions, keynote forums, workshops, and panel discussions. Fully digitalized conference experience with the TIIKM Conference App, personalized participant QR codes, and an integrated evaluation system.
- **Hospitality:** Morning & Evening refreshments (Coffee Breaks) networking lunches during the conference days.
- **Conference Kit:** Includes a TIIKM Tote Bag, TIIKM Pen, Participation Gift.
- **Digital Memories:** Full access to professional conference photo albums and video coverage.

CONFERENCE VENUE: CURTIN UNIVERSITY, MALAYSIA

Welcome to Paradise - Where Knowledge Meets Nature!

We are delighted to announce the official venue for ICFA 2026 as [Curtin University, Malaysia](#).

Miri, Sarawak, a destination where Sarawak is one of Malaysia's most captivating and eco-rich states, known for its breathtaking rainforests, diverse wildlife, and warm hospitality. As a hub of sustainability and culture, Sarawak provides an ideal environment for global dialogue on the future of fisheries and aquaculture. making it an exceptional setting for researchers, industry professionals, and policymakers to share ideas, explore innovations, and foster meaningful collaborations.

DISCOVER MIRI, SARAWAK, MALAYSIA

You can now easily make the reservations for the duration of the conference. Globeenjoy, the conference's official tour, and accommodation partner will assist you in making this more comfortable.
